Jacqueline Rowe

PhD Student in Responsible NLP

Edinburgh, UK jacqueline.rowe@ed.ac.uk jacqueline.rowe.github.io

Education

PhD **University of Edinburgh**, Responsible and Trustworthy NLP — Edinburgh, UK
Centre for Doctoral Training for Designing Responsible and Trustworthy NLP — 2024 – 2029
- Dissertation: Bias and Fairness in Frontier Language Technologies
- Supervisors: Alexandra Birch & Shannon Vallor

MSc **University of Sheffield**, Computer Science with Speech and Language Processing (Distinction) — Sheffield, UK, 2023 – 2024
- Dissertation: Improving low-resource machine translation: effective methods for Guinea-Bissau Creole

LLM **Birkbeck, University of London**, Human Rights (Distinction) — London, UK, 2020 – 2021
- Dissertation: Education for Linguistic Minorities: Applying a human rights framework

BA **University of Cambridge**, Linguistics (Double First) — Cambridge, UK, 2016 – 2019
- Dissertation: Urban and Rural Language Attitudes in Guinea-Bissau

Funding

Fully-funded competitive PhD scholarship (UKRI grant number EP/Y030656/1)

Professional experience

Google DeepMind,, Student Researcher, Ethics and Foresight — London, UK, Apr 2026 – Oct 2026
- Explored public attitudes towards privacy and personalisation risks in LLM agents through large-scale Reddit analysis and a UX research study
- Collaborated internally with agentic security and privacy and product Trust and Safety teams to improve model and policy interventions for privacy, personalisation and memory in agentic systems

Global Partners Digital, Policy Lead/Research Consultant — 2021 – 2025
- Led human-rights grounded research projects on online disinformation legislation, platform governance frameworks, hate speech policies and cybercrime laws
- Worked directly with local partners in Sub-Saharan Africa, Latin America and South-East Asia and a range of multistakeholder and multilateral bodies

Chatham House, International Law Programme Coordinator — London, UK, 2019 – 2021
- Supported the delivery of research papers, roundtables, public events and policy reports on key issues relating to digital governance and international law
- Supported strategy development, project management, grant-writing and communications functions

School of Informatics, University of Edinburgh, Research Assistant — Edinburgh, UK, 2024 – 2026
- Provided research support for a lecturer in Informatics, focusing on responsibility in computing education
- Guest lecturer for undergraduate Professional Issues in Computing course

Teaching

School of Informatics, University of Edinburgh, Tutor, Postgraduate Course: Applied Interdisciplinary Project (INFR11258) — Edinburgh, UK, Sept 2025 – Jan 2026

School of Informatics, University of Edinburgh, Marker, Undergraduate Course: Informatics 2 - Software Engineering and Professional Practice (INFR08032) — Edinburgh, UK, Jan 2025 – May 2025

Academic Publications

Move Fast and Mend Things: Keeping Up with Evolving AI Harms Using Social Media Commentary — 2026
Jacqueline Rowe, A. Srivastava, S. Peddinti, S. El-Sayed, N. Taft
10.48550/arXiv.2610.09082 (arXiv preprint)

Designing Responsible AI: a Pedagogical Blueprint for Interdisciplinary Reflection and Applied Ethics Competencies — 2026
A. Horzyk, *Jacqueline Rowe*, B. Catanzariti, F. Tollon, O. Batur Ince, C. Demeocq, R. Rohde, J. Garforth
10.1145/3803401.3811983 (Proceedings of the 31st ACM Conference on Innovation and Technology in Computer Science Education (pp. 825-826))

EuroGEST: Investigating gender stereotypes in multilingual language models — 2025
Jacqueline Rowe, M. Klimaszewski, L. Guillou, S. Vallor, A. Birch
10.18653/v1/2025.emnlp-main.1632 (Proceedings of the 2025 Conference on Empirical Methods in Natural Language Processing (pp. 32062-32084))

EdinHelsOW WMT 2025 CreoleMT System Description: Improving Lusophone Creole Translation through Data Augmentation, Model Merging and LLM Post-editing — 2025
Jacqueline Rowe, O. de Gibert, M. Klimaszewski, C. Haley, A. Birch, Y. Scherrer
10.18653/v1/2025.wmt-1.91 (Proceedings of the Tenth Conference on Machine Translation (pp. 1166-1182))

Limitations of Religious Data and the Importance of the Target Domain: Towards Machine Translation for Guinea-Bissau Creole — 2025
Jacqueline Rowe, E. Gow-Smith, M. Hepple
10.18653/v1/2025.loresmt-1.17 (Proceedings of the Eighth Workshop on Technologies for Machine Translation of Low-Resource Languages (LoResMT 2025) (pp. 183-200))

Policy Publications

Globalising Platform Regulation: The Impact of Online Platform Regulations from the European Union, the United Kingdom and Australia on Platform Regulation in Global Majority Countries — 2025
Jacqueline Rowe
www.gp-digital.org/publication/globalising-platform-regulation-the-impact-of-online-platform-regulations-from-the-european-union-the-united-kingdom-and-australia-on-platform-regulation-in-global-majority-countries (Global Partners Digital)

Towards a global approach to digital platform regulation: Preserving openness amid the push for internet sovereignty — 2024
Y. Afina, M. Buchser, A. Krasodomski, *Jacqueline Rowe*, N. Sun, R. Wilkinson
www.chathamhouse.org/2024/01/towards-global-approach-digital-platform-regulation (The Royal Institute of International Affairs (Chatham House))

An Ever-Tightening Net: Restrictions on Online Expression under Cybercrime Laws and Content Restrictions in Africa, the Middle East, and Türkiye 2024
Jacqueline Rowe
www.gp-digital.org/publication/an-ever-tightening-net-restrictions-on-online-expression-under-cybercrime-laws-and-content-restrictions-in-africa-the-middle-east-and-turkiye (Global Partners Digital and Access Now)

Evading Accountability Through Internet Shutdowns: Trends in Africa and the Middle East 2023
Jacqueline Rowe, F. Anthonio, B. Andere
www.gp-digital.org/publication/evading-accountability-through-internet-shutdowns-trends-in-africa-and-the-middle-east (Global Partners Digital and Access Now)

Invited Talks

Do intrinsic bias metrics correlate with downstream performance? Initial insights with machine translation 27 March 2026
Turing Institute PhD Connections day

Beyond Benchmarks? Measuring gender bias in multilingual LLMs 26 February 2026
Fondazione Bruno Kessler, Machine Translation Unit Online Seminar Series

Data Harms 10 October 2025
Guest lecture in Edinburgh School of Informatics 3rd year undergraduate Computer Science Professional Practice Course

Skills

NLP Specialisms: fairness and bias benchmarks, multilingual LLM evaluation, translation quality metrics, machine translation for low-resource languages

Technical Skills: Python, PyTorch, Pandas, Matplotlib, Hugging Face Transformers, Sentence Piece, Fairseq, wandb, HPC clusters (Slurm and Kubernetes)

Law & Policy Experience: international human rights law, multilateral systems, online content policy and child safety, multi-stakeholder policy development, comparative legal analysis

Research Skills: human validation studies (e.g. Prolific, Qualtrics), workshops, interviews, thematic analysis (e.g. NVivo), science communication, public engagement
